Subject: RE: Zinc phosphide label conditions for ferrets - discussion with FWS
Date: Thursday, April 11, 2013 4:55:00 PM

You can check with Anita but I thought that I would go ahead and get it on the calendar just in case.

-----Original Appointment-----

From: Hebert, John

Sent: Thursday, April 11, 2013 4:32 PM

To: Grable, Melissa

Subject: Accepted: Zinc phosphide label conditions for ferrets - discussion with FWS

When: Friday, April 12, 2013 11:00 AM-12:00 PM (GMT-05:00) Eastern Time (US & Canada).
